

WSB-400™

ISO 9001 Certified

Weather Seal Boot for LMR-400

- *Combination strain relief and weather seal boot*
- *Eliminates the need for a heat gun to shrink the standard heat shrink sleeve*
- *Fits the most popular LMR-400 EZ connectors*
- *IP-67 rated*
- *Convenient 10 pack*

The WSB-400 works with the most popular LMR-400 EZ crimp connectors.

The soft silicone boot weatherproofing kit replaces older weatherproofing methods, requires no heat and only simple and easy hand assembly for valuable time saving in the field.

The WSB-400 kit is IP67 rated and both RoHS and REACH Compliant.

Supplied in a convenient 10 pack, the WSB-400 kit contains four pouches of silicone lubricant to facilitate installation of the boot.
